Lessons Learned

- Assign specific areas for specific coordinators
- A-Team delivers snacks and water to crews *in their rooms*
- Videotape for assessment.
- Training of leaders is key.
- What ever you do, Do it right
- Watch the video
- Faculty gets upset at seeing 9th graders with underwear on their head...address appropriate costumes for tour
- You are what you do every single day repeatedly. So, Do It right. It ought to be a habit.
- Practice lining up
- Focus on being a great person
- Have walkie-talkies
- Extra batteries and extension cards for miles
- Always make sure all your rooms are unlocked
- Need more room + spacing on the gym floor for activities
- Reroute the funnel
- Have a great A Team
- VIP table is key
- No such thing as many markers or too much tape

Link Alerts

- Teachers have link alerts/applause Forms to use. Commissions follow up.
- Have many TA's who are links match the leaders with the alerts.
- Notes to teachers with 2 alerts in boxes, telling them the purpose and the links.
- Partners with peer mediation.
