

Servant-Leadership - Advisor/Teacher Training Level 1&2

Saturday, April 11, 2015

8:00am-3:30pm

Moses Lake High School

Level 1: This workshop will provide you with the following:

- Numerous lessons for a leadership curriculum class or hands on class which can be adapted for any grade level.
- Scope and sequence for an entire semester's class with a sample week-by-week overview of lessons
- Instructional techniques in how to build a sustaining character-based program that gives heart to your program and an intentional approach to changing the climate of your school.
- Each advisor will receive: Hard copy of curriculum, electronic copies of each document, and assessments for entire semester.

Level 2: This workshop will provide you with the following:

- Resources that intentionally connects numerous video clips that powerfully illustrate and connect the servant-leadership model and concepts being taught.
- Experiential activities used to highlight key leadership principles.
- An experiential tool to take home and use in your classroom.
- Ideas and discussion on service-based projects that help improve your school's climate in real and powerful ways.
